## Technisource Promotes Chad Holmes to Vice President

ATLANTA - (April 24, 2007) - Technisource, Inc., a national information technology and engineering services provider, has promoted Chad Holmes to vice president of the Management Services division. He is based in the firm's Atlanta office.

"Chad has provided strong leadership and high-quality client service delivery in Atlanta and in other key markets," said John Baschab, president of Technisource's Management Services division. "He has continued to be an important consultant to our private-equity clients, as well as a recruiter of top talent to the Atlanta team. We look forward to continued success as he assumes his new leadership role."

Since 2004, Holmes has served as principal in the management services division, which provides outsourcing, assessments and IT strategy for middle market companies and private-equity firms.

Prior to joining Technisource, Holmes served as a senior manager in Accenture's communications, media and entertainment practice. He holds a Bachelor of Arts in business administration from the University of Washington.
