## Technisource Web Site Recognized for International Interactive Media Award

Indianapolis, IN - (June 4, 2007) - The Horizon Interactive Awards, a leading international interactive media awards competition, has announced the 2007 award winners. Honored by an international panel of experts and end-users, Technisource's Website, [www.technisource.com](http://www.technisource.com), was recognized for excellence in interactive media production with a bronze award in the business-to-business category.

"We are honored that our new Website has received this international recognition," said Sara Lunsford, Director of Marketing & Communications for Technisource. "Technisource.com uses leading-edge technology to provide an intuitive, highly-interactive experience that educates the audience about our company and the many exciting job opportunities we offer across the nation."

Technisource worked with ImageVisible, an award-winning interactive communications firm in Dallas, to produce the Website which launched in January. The site's most distinguishing feature is a proprietary job search function, which provides users the ability to quickly and easily search and apply for information technology and engineering jobs nationwide.

The 2007 competition saw nearly 1000 entries from 24 countries around world including: Australia, Canada, Czech Republic, Columbia, Croatia, Germany, Egypt, Spain, France, Great Britain, Hong Kong, Hungary, Indonesia, Israel, Italy, Malaysia, New Zealand, Singapore, South Africa, Syria, Thailand, Turkey, Taiwan and nearly all 50 of the United States. An international panel of judges, consisting of industry professionals with diverse backgrounds, evaluated 19 different categories ranging from online advertising to video games. The 2007 winning entries showcase the best developed interactive media solutions including Web sites, CDs and DVDs, online ads, video and more.

"The 2007 competition was a fantastic display of creativity and effective communication blended with technical excellence," said Mike Sauce, founder of the Horizon Interactive Awards. "Every year, it is amazing to see how designers and developers continue to innovate new and exciting ways for people to experience products, services, and ideas through interactive media."

The Horizon Interactive Awards holds the annual competition in early spring of each year. For more information visit the Horizon Interactive Awards at [www.horizoninteractiveawards.com](http://www.horizoninteractiveawards.com).

### About the Horizon Interactive Awards

In its 6th year, the Horizon Interactive Awards was created to recognize excellence in interactive media production worldwide. Since 2001, the competition has received thousands of entries from 26 different countries and nearly all 50 US States. Each year, those entries are narrowed down to the best of the best to be recognized and promoted on an international stage for their excellence.
